The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages. This is page 1 of 4.

GAME DESCRIPTION:

The “Hi-Roller” game is a single player dice game operated by an attendant. The game consists of a cup in which the player uses to roll five (5) standard six sided dice into a partially enclosed play field which keeps the dice in play. The object of the game is for the player to use all five (5) dice in a single throw to obtain three (3), four (4) or five (5) of the same values facing up when all the dice come to a complete rest. A prize is awarded to the player when this has been successfully accomplished.

DEFINITIONS:

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize or other material.

“Play field” means an area within the stand/structure between the foul line and the target.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up.”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.

CONDITIONS:

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-.3.4.
- 2.) The play field shall be clear of all obstructions.
- 3.) The play field shall be contained within the stand/structure in which the game is located.

- 4.) No merchandise shall be allowed in or around the stand/structure for display purposes only.
- 5.) All prizes displayed must be available to be won either in a single round of play or by trading up through continued play.
- 6.) A sign explaining prize category trade up requirements shall be conspicuously posted at all times during the operation of the game.
- 7.) The minimum size of a sign containing the statement required by condition number 6 of this certification shall be 8.5 inches x 11 inches. The sign shall be of professional quality and shall consist of block letters of at least .50 inches. The background and the letters of the sign shall be electronically displayed or permanently printed of contrasting colors.
- 8.) All prizes available through the play of the game shall be conspicuously displayed above the front counter height of the stand/structure.
- 9.) The maximum number of prize categories shall be six (6).
- 10.) Prize categories from the lowest to highest in values shall only be known, referred to, designated, or labeled as: Small; Medium; Large; X-Large; Jumbo or Choice.
- 11.) The prizes to be awarded shall be labeled to indicate category. Prizes shall be labeled individually or as a clearly delineated group of the same prize category.
- 12.) The maximum number of prizes required in order to trade up to the next higher prize category shall be three (3). (IE: Three Small prizes are required to trade up to one Medium prize. Three Medium prizes are required to trade up to one Large prize. Three Large prizes are required to trade up to one X-Large prize. Three X-Large prizes are required to trade up to one Jumbo prize. Three Jumbo prizes are required to trade up to one Choice prize.)
- 13.) All game operating equipment such as dice and cup must be in like new condition. If any piece of equipment does not meet the like new criteria the operator must remove it immediately from game play.
- 14.) The dice used for game play must have the standard six sides, any other such dice that does not meet this criteria must be removed from play immediately by the operator.
- 15.) Each die being operated during game play must be the same size, shape and weight. If any die does not meet this criteria the operator must remove that die immediately from game play.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
